

FOREIGN BROADCAST INFORMATION SERVICE

KEY WEST BUREAU

MAIN P.O. BOX 1056
KEY WEST, FLORIDA 33040

MFL--3014
4 May 1983

MEMORANDUM FOR: Director, Foreign Broadcast Information Service
THROUGH : Chief, Operations Group
SUBJECT : Monthly Report--Key West Bureau--April 1983

I. GENERAL

The interior work on the new portion of the bureau's expansion project is essentially complete, including the last minute renovation of the new bathroom. The highlight of the exterior work was the removal of a 25-30 ton concrete slab which had been discovered just under the surface of the ground. It had to be removed to permit necessary site grading.

The emergency auxiliary generator was rewired for 3-phase service. New desks, tables and partitions were installed to establish six monitoring positions in the new monitoring room. Three of these booths have been equipped for monitoring. A video monitoring center with all equipment readily at hand was set up in the former monitoring room. Kudos are in order for [redacted] and [redacted] STAT who managed all these changes without interruption of STAT services or loss of coverage.

II. OPERATIONS

A. Monitorial/Editorial

Bureau operating hours were adjusted slightly when the United States went on Daylight Saving Time, because Cuba will not make that change until 9 May.

B. Technical

The bureau received 1 SRMC-1X10-HFB-50 antenna multi-coupler, Delta Electronics Model D10-10-10 2-3 Norm. 0.1-3 BYP, Serial Number 1120. During the month the bureau also disposed of four obsolete, mechanically failing air conditioners which had become surplus with the installation of the bureau's new central air conditioning system.

III. ADMINISTRATION

Buildings and Grounds

The bureau construction project is more than 95 per-
cent complete. Only exterior grading, paving and landscaping remain
to be done.

IV. VISITS

Two visitors from Washington were entertained at the bureau
during the month: the chief of the new Systems Development Staff
and former bureau monitor and wire editor [redacted], who was in STAT
Key West on a personal visit.
